- 100% of all donations go directly to the receiving charities. SWLP is completely nonprofit and takes no fee or commission.
- Designed in part to provide volunteer opportunities that are currently lacking for school-age children. Students who conduct donation drives are eligible to apply to volunteer with our partnered charities or in-house with SWLP.
- Created by a family in Madison, NJ, based on their tradition of collecting donations off the local children’s hospital’s wish list in lieu of receiving birthday gifts for their kids.
